# Summer newsletter

## Wishing you a beautiful Summer!

I hope that we're all enjoying the lovely Summer weather, and are also enjoying some Summer fun too!

It's that time of year when we keep you updated with our latest tips, news, and timely advice for you and your pet to enjoy a relaxing and enjoyable Summer.

For more exciting news stories, and offers, join us on [facebook](#), visit our [website](#) or speak to one of the team at the surgery on 0208 659 4496.

## VIP Healthcare Plan Launch

### We are launching our eagerly anticipated VIP Healthcare Plan!

Treat your pet in the manner they deserve! Our new VIP Plan will help you budget for all of your costs, and save you money over the course of the year. There will be many additional benefits for your pet, to keep them happy, healthy and pampered.

Alongside pet insurance, the VIP Healthcare Plan gives a truly comprehensive care programme and is simple to set up. Payment is by direct debit so once set up you don't need to worry about anything.

-  Vaccinations & Annual Boosters (including Kennel Cough)
-  A year's supply of flea treatment
-  A year's supply of worming treatment
-  10% of everything including all fees and services
-  30% off Hills and Royal Canin food when ordered through our online shop

We are showing all of our entries on our photo gallery on our [website](#). Some of which we will put on our new vaccination cards so keep an eye out for those in the post..

### Staff news

**Ella**

We welcome a new member of staff to our team at Mayow Vets, our new vet Ella! Daniella, otherwise known as Ella, qualified as a Veterinary Surgeon from the Royal Veterinary College in 2010. She has worked in various private practices in North Wales, Banbury, and Croydon where she has developed her skills and has gained much experience. She cannot wait to meet you all as she has such a passion for our furry pals...

We also welcome our new Head Nurse Stephanie she has worked in many exotic locations and has worked with cheetahs and monkeys, and various exotics such as snakes and iguanas! Wow, that's amazing!

We can't wait for you to meet them all and say hello..

**Steph**

### And finally...Life saving and heart-warming stories..

**Rocket**

#### Back down to earth for Rocket

Four-month old Rocket came in to see us in a very poorly state after eating part of a poisonous Hellebore plant. [See what immediate action had to be taken](#)

#### Crikey, Cornelius' calcaneus is cracked!

Poor Cornelius was brought into us shortly after he had been involved in a road traffic accident.

Luckily he survived but he had fractured his calcaneus bone (a bone in the ankle joint). [See what happened next..](#)
