## Staff and surgery news

We are so very pleased to welcome our new vet Vincent Tsui to our team! Vincent graduated from Sydney University and has worked in private practices and charities in Australia, London and other parts of the UK.

He has an interest in soft tissue surgery and is working towards a soft tissue surgery certificate. He can't wait to continue meeting all of our lovely clients and their wonderful pets!

## VIP Healthcare Plan

We hope to finally launch our eagerly anticipated VIP Healthcare Plan in June. It has taken us a while to put together the best package for you.

Treat your pet in the manner they deserve! Our new VIP Healthcare Plan will help you budget for all of your costs, and save you money over the course of the year.

There will be many additional benefits for your pet, to keep them happy, healthy and pampered.

For your own peace of mind and to keep your furry companion in tip top condition, you can sign up for a hassle free plan with many discounts and savings.

If you would like to register an interest, find out more information and be sure to hear about the initial launch offer then [email here](#).

## Easter tips for your pets!

It's almost Easter so it's the right time to start thinking about the Spring time hazards and poisons that we need to look out for around your home.

Have a look at our [helpful tips](#) with what to keep an eye out for when you're enjoying all of the celebrations to keep your pets safe and still part of the fun!

With so much to do over the Easter bank holiday weekend, we don't want you to forget our small furry friends and the importance of preventative healthcare, and looking after your rabbit on a day to day basis. We have a [rabbit video guide](#) with [really useful information](#) on how to care for them, vaccinations and much more..
